

## JOIN OUR COALITION

Dear Animal Rescuers,

We would like to invite your Animal Rescue Organization to join the <http://www.VegasAnimalRescue.com> and <http://www.VegasAnimal411.com> yahoo group and website coalition. *Let me first start by saying this is 100% free. We are 100% volunteer run and just do this for the animals.*

The Vegas Animal Rescue Yahoo Chat group and websites were created in June 2006. This private yahoo group was created for Animal Rescue Organizations (ARO) to communicate and save animals in our community. It was also created so A.R.O.s could support each other when needed, trade supplies, help in placements, and all the other aspects that come from rescuing animals. This Vegas Animal Rescue Yahoo Chat Group is a private group and *not for the general public.*

The yahoo group is connected with the websites <http://www.VegasAnimalRescue.com> and <http://www.vegasanimal411.com> which are run by 100% volunteers. Our goals are to:

- Help your Animal Rescue/Shelter Organizations save more animals in our community
- Educate Pet Owners
- A one stop fun place for Vegas Animal lovers to look for:

Animal Shelters, Cat Rescues, Dog Rescues, All Other Animal Rescues, All Breed Rescue, ARO Pocket Guide, Adoption Search, Animal Rescue Transport, Dog Parks, Events, How You Can Help, Lost & Found, New Logos, News, Nevada Pet Laws & Voting, Pet Friendly Businesses, Pet Friendly Hotels, Pet Friendly Housing, Shop, Therapy Dog Programs, Training & Exercise, VAR Blog, Contact Us, Pet Diet & Health, Dog Food Grades, First Aid, Health Library, Pet Insurance, Poisons, Recall, Recipes & Snacks, Spay Neuter Information, Vaccinations, Wheelchairs, Pet Fun, Pet Jokes, Pet Pictures, Pet Videos, & Rescue Stories.

We hope the more people that visit our websites the more animals we can help ***you*** save.

You might be wondering why there are two different web domain names and they go to the same website. Well our reason for that is some people see the word "Rescue" and think it might be something sad so they won't click on it. We find that people are more willing to click on "411" instead.

### **WHAT YOUR RESCUE GETS BY JOINING:**

Your Rescue/Shelter will be added to the Vegas Animal Rescue Yahoo Group. It is a great communication tool to work with all the other Rescue and Shelter volunteers in our community.

We will add your logo/link/contact information under the section that best fits your rescue organization on both websites. You can choose to be placed under Cat Rescue/Dog Breed Rescue/All Breed which ever you choose or under each.

We will also put your logo and a picture of a pet you have rescued in our new video on the website. We are looking for good quality so that the video quality comes out nice. V.A.R. members have a list of 8 professional photographers that volunteer their time to take great quality photos to help you get your animals adopted. Please send your photo to [vegasanimal411@gmail.com](mailto:vegasanimal411@gmail.com).

We have three great Facebook pages for you to use that are connected to our website.

Vegas Adoptable Animals: <http://www.facebook.com/pages/Vegas-Adoptable-Animals/239866909440294> You can add pictures of your adoptable animals to help them get adopted. Suggestion: Photos do not have to be professional but we think it helps get them adopted. :)

Vegas Missing Animals: <http://www.facebook.com/VegasMissingAnimals> A great place to verify if an animal in your rescue is loved and missing from their family.

Vegas Events For Animal Lovers: <http://www.facebook.com/pages/Vegas-Events-For-Animal-Lovers/166126983505897> You can add all your Fundraising events to this page.
